Dear Patrick,

Please allow me to begin by sincerely thanking you for all of your cooperation and participation in our endorsement process. Your willingness to accommodate our efforts in getting to know you and your campaign were greatly appreciated and made this process a true pleasure.

The Naperville Professional Firefighters would like to offer our *support* and *endorsement* of your campaign for city council.

Please know that we highly value the development of our relationship through this process. We look forward to fostering this relationship and have great confidence that our collaboration in the future will be of great benefit to the advancement of the city of Naperville.

As part of our endorsement, we are offering a contribution of \$1000 to your campaign. We will also be crafting a public relations effort to publicize our endorsements.

Thank you again, we are looking forward to the future of our relationship.

Respectfully,

Dan Donahoe
Vice President
